family physician who would honestly tell them if their eyes
need "treatment," or if it is only an optical defect which
properly fitted glasses will correct. If

Miss Louise Salmon, only daughter of
Major Harvey W. Salmon, of Clinton, is
in receipt of general order No. 48, issued
by the War Department, dated Feb. 20, 1901,
Confederate veterans, Trans-Mississippi
department, naming her as sponsor for
that department at the coming reunion to
be held in Louisville, Ky., May 30 to June
1, 1901. She is the only woman signifi-
cantly honored by the chivalrous army
at previous reunions. At the Missouri
state reunion at Sedalia, in 1898, she was
a maid of honor, and at that in Clinton
last year, the largest reunion in the
west, she was one of the bridesmaids. In
this year, she was sponsor. At the general reunion
at Atlanta, in 1895, she was appointed
maid of honor and the following year was
sponsor at the Charleston, S. C., reunion.

George W. Marquis, recently nominated
by the democrats of Lafayette county for
assessor, won the coveted honor fairly
and honestly, and he is now about to
revert to the good old way of fifty years ago.
Mr. Marquis made a pedestrian tour of
the county, traversing it from end to
end, descending into coal mines and
ascending to hillsides, bare, never stop-
ping to look at anything but the ground
underfoot. His vote where he was found
Mr. Marquis's performance is the more
remarkable because of the fact that he is
not a young man or one lusty with good
health, but a man advanced in life, and
one whose health is somewhat impaired.
He is now going to the schoolroom. If the
roads of Lafayette county are as bad as
they used to be, he deserved the nomina-
tion. Another good nomination was
by the voters of that county was Horace
Blackwell, of Ottumwa, who was elected
assessor. Blackwell is a young man, and destined
to be a leader in the state democracy one
of these days.—Independent.
